

CALIAN

# Work *Life* balance

Calian is pleased to be a part of Canada's healthcare industry. Our professionals work in partnership with military healthcare teams at over 30 Canadian Forces Bases across Canada. We currently employ approximately 500 healthcare professionals and are always recruiting candidates for a variety of positions.

**We are in need of qualified Clinical Psychologists** to meet the increased demands for care of Operational Stress Injuries such as PTSD and Combat Stress Reaction which are primarily a result of members being deployed.

Become a part of the Calian team and enjoy the benefits of a healthy work-life balance, working in fully functional clinics and being a member of a multi-disciplinary team.

**“The work is important, challenging and immensely rewarding”**

- Dr. Frank Kane, Clinical Psychologist (Calian)

# RECORDING TECHNOLOGY AND PSYCHOLOGICAL PRACTICE WORKSHOP

Attend Roland Canada's interactive "**Recording Technology and Psychological Practice**" workshop and learn how recording technology aids like the Roland CD-2e SD/CD Recorder can:

- **Help maintain therapeutic** connectedness with patients between sessions.
- Allow patients **to take home material** and techniques covered in-session.
- Give patients **instant access to therapies** such as relaxation techniques, hypnosis suggestions, ego strengthening, wellness themes, etc.

Then visit us at the Roland Canada booth where you can:

- **Obtain hands-on experience** with products presented at the workshop such as the Roland CD-2e SD/CD Recorder.
- **Speak with experienced Roland Canada employees** who can answer product and application questions.

**June 14th, 2008**  
**3pm-3:55pm**  
**Room: ACADIA B**

*"The Roland CD-2e SD/CD Recorder allows me to send my voice home with the client to reinforce what has been covered in my office. This helps maintain motivation and focus on specific therapeutic goals..."*

**- Frank G. Campbell, Ph.D, Clinical psychologist**

Music therapy and personal entertainment products featured at the Roland Canada booth.

PEOPLE PERFORMANCE

PEARSON

*Coming Fall 2008!*

The **Wechsler Adult Intelligence Scale®** is the most widely used scale of adult intelligence. Built on the solid psychometric properties of its predecessor (WAIS®-III), the new fourth edition (WAIS®-IV) has been updated and enhanced to provide you with the most advanced measure of cognitive ability in adults—and results that you can trust.

- Canadian norms
- Simplified structure (Verbal Comprehension, Perceptual Reasoning, Working Memory, Processing Speed Index, and Full Scale IQ)
- New subtests to improve clinical utility
- Updated norms from ages 16 to 90 years
- Reduced administration time to obtain composite scores
- Updated content and materials
- Co-normed with the upcoming WMS-IV
- A broad selection of clinical and validity studies
- Improved scoring software

The Correctional Service of Canada (CSC) is currently recruiting indeterminate (full-time) positions for Psychologists.

#### **PSYCHOLOGIST (PS-03)**

##### **Candidates must clearly indicate how they meet the following essential qualifications**

- Graduation with a Master's or doctoral degree from a recognized university with acceptable specialisation in clinical, forensic or counselling psychology or in another psychological speciality relevant to the position;
- Registration for autonomous practice of psychology by the provincial registering/licensing body in the province of practice
- Experience in the provision of psychological services (including mental health services), such as assessment, counselling or other psychological services with adults, either to groups or individuals;

##### **General information:**

CSC offers a comprehensive benefits package that includes an indexed pension plan, a health care plan, an employer-paid dental plan, a disability insurance plan and generous leave benefits. Salary range - \$63,805 to \$74,387 plus allowances – a penological allowance of up to \$2000 per annum and a terminable allowance of up to \$1000 monthly to doctoral level registered psychologists and up to \$500 monthly to MA level registered psychologists. Salary is currently under review. Annual membership fees to regulatory bodies are also paid.

If you have a master's or doctoral degree in Psychology, but are not yet registered, challenging employment opportunities exist within CSC. These opportunities will allow you to apply your skills while under the supervision of registered personnel. Financial assistance for registration-related expenses is available.

**INFORMATION :** If you are interested in applying for a position or would like further information, contact one of the Regional Chief Psychologists listed below.

---

Le Service correctionnel du Canada (SCC) cherche actuellement à pourvoir, pour une période indéterminée, des postes de psychologues.

#### **PSYCHOLOGUE (PS-03)**

##### **Les candidats doivent clairement démontrer qu'ils possèdent les qualifications essentielles suivantes :**

- Diplôme de maîtrise ou doctorat décerné par une université reconnue avec une spécialisation acceptable en psychologie clinique, psychologie judiciaire ou psychologie de l'orientation, ou dans tout autre domaine lié au poste;
- Permis d'exercice autonome de la psychologie décerné par l'organisme d'agrément de la province d'exercice (Ordre des psychologues de l'Ontario)
- Expérience de la prestation de services de psychologie aux adultes (y compris de services de santé mentale), par exemple des évaluations, du counseling ou d'autres services de psychologie, de façon individuelle ou en groupe.

##### **Renseignements généraux :**

Le SCC offre un ensemble d'avantages sociaux très complet comprenant un régime de retraite indexé, un régime de soins de santé, un régime de soins dentaires payé par l'employeur, un régime d'assurance-invalidité et avantage en matière de congé.

Échelle de traitement – 63 805 \$ à 74 387 \$ plus indemnités – une indemnité de facteur pénologique maximale de 2 000 \$ par année et une indemnité provisoire maximale de 1 000 \$ par mois pour les psychologues agréés titulaires d'un doctorat et de 500 \$ par mois pour les psychologues agréés titulaires d'une maîtrise. Le salaire est actuellement à l'étude. Un droit d'adhésion annuel aux organismes de réglementation est aussi versé.

Si vous êtes titulaire d'une maîtrise ou d'un doctorat en psychologie, mais que vous n'avez pas encore un agrément, sachez qu'il y a des possibilités d'emplois intéressantes pour vous au sein du SCC. Ces possibilités vous permettront d'exercer vos compétences sous la supervision d'employés agréés. Une aide financière pour les frais liés à l'agrément est disponible.

**RENSEIGNEMENTS:** Si vous désirez présenter votre candidature pour un des postes ou si vous désirez obtenir des renseignements supplémentaires, veuillez communiquer avec un des psychologues en chef régionaux suivants :

# Structural Equation Modeling Has Never Been Easier! New EQS Version 6.1

## Why Use EQS?

**EQS** is the only Structural Equation Modeling (SEM) program to provide new accurate statistics for non-normal data.

**EQS'** comprehensive data management capabilities allows users to work with data without having to use other programs such as SPSS® or PRELIS®. Imports SPSS files.

**EQS** tests the full range of SEM including latent regression, confirmatory factor analysis, LISREL®, structured means, multiple population, latent growth curve, multilevel analysis, correlation structure & categorical data models.

**EQS'** improved DIAGRAMMER makes model setup easy. Use of command language and knowledge of matrix algebra are no longer necessary!

**EQS** is preferred by thousands of researchers worldwide providing them with a wide range of easy to use statistical and data exploration tools.

## New EQS 6.1 Features

- Help & Setup Wizards, Graphs & Plots
- Automatic Command Generator
- Statistical and Data Exploration Tools
- Missing Data: EM, Robust ML, MCAR Tests
- Tests for Smaller Samples: F-tests, Residual-based, Mardia's Kurtosis
- Case Weighted Methods for Outliers, Influential Cases, Complex Samples
- Multilevel Models: ML, MUML, HLM-like
- Heterogeneous Kurtosis Method & Test, Heteroskedastic Regression
- Easy Bootstrapping & Simulation with Summaries
- Maximal, Model-based, and Greatest Lower Bound Reliability
- Polychoric/polyserial Correlations for IRT and SEM
