

Psychologist

Interested in using your skills as a Psychologist to work with a consolidated pool of clients with diverse issues? Do you have forensic psychology experience you wish to use in making an important contribution to this essential field of work? Then here is an opportunity for you, located in a beautiful region offering great home prices and a broad range of recreational activities.

In this position with the **Ministry of Community Safety and Correctional Services**, Quinte Detention Centre, you will:

- Work within an interdisciplinary team
- Provide a wide variety of psychological services related to the diagnosis, treatment, assessment and evaluation of offenders.

In this maximum-security institution, housing male and female offenders, your skills will also be used to:

- Facilitate psychological rehabilitation, conducting therapy and counselling, and administering, evaluating and interpreting psychological tests
- Provide consultation and advice to the management team
- Organize and conduct research and program evaluation projects
- Assist in staff training.

Location: 89 Richmond Blvd., Napanee.

Qualifications:

Your knowledge will include:

- Demonstrated knowledge of professional standards of practice
- Demonstrated knowledge of the theory and practices of psychology, including current rehabilitative, treatment and assessment techniques
- Effective knowledge of forensic psychological assessment tools and techniques
- Proven knowledge of the application and interpretation of assessment instruments to evaluate intellectual and personality functioning
- Demonstrated knowledge of program evaluation and research techniques to evaluate program effectiveness, and develop and conduct research projects
- Knowledge of computer programs to operate Windows-based applications and software.

Your skills and abilities include:

- Skill in making diagnoses and recommending appropriate treatment interventions
- Interpersonal skills to maintain strong working relationships with multidisciplinary team members
- Demonstrated skills in communicating information and conducting therapy and counselling

sessions

- Demonstrated abilities to assist in professional supervision of placement students and participate in staff training
- Proven analytical and problem-solving skills to provide diagnostic assessments, and formulate, deliver and evaluate treatment, crisis intervention and rehabilitation plans and programs
- Ability to interpret and apply relevant legislation (e.g., consent to treatment, care and retention of records, Health Disciplines Act, Mental Health Act, privacy legislation, limits to privacy and confidentiality).

You will be registered as a Psychologist in the Province of Ontario.

Salary range: \$1,575 - \$1,998 per week

Please apply online, only, at www.ontario.ca/careers, quoting **Job ID 29997**, by **September 7, 2010**. *Faxes are not being accepted at this time.
