

CLINICAL PSYCHOLOGIST (ADULT)

University of Manitoba,
Winnipeg Regional Health Authority

The Department of Clinical Health Psychology in the Faculty of Medicine, University of Manitoba, in collaboration with the Winnipeg Regional Health Authority (WRHA) invites applications for a Contingent Geographical Full-Time Clinical Psychologist at the Assistant Professor level (position #11534), commencing October 1, 2010 or as soon as possible thereafter. The successful applicant will provide a range of psychological assessment and treatment services to adults and consultation to adult inpatient mental health and other adult medical programmes at Grace General Hospital in Winnipeg, and will contribute to the research and educational activities of the Department of Clinical Health Psychology.

Position Responsibilities:

- Diagnostic assessment of adult inpatients and outpatients
- Treatment of adult outpatients
- Clinical research
- Psychological consultation to multi-disciplinary teams at the Grace General Hospital.
- Supervision of Psychology Residents in our CPA and APA accredited Psychology Residency training programme
- Participation in teaching of medical students and students of other health professions

Qualifications:

- Doctoral degree in Clinical Psychology from a CPA or APA accredited training programme, and completion of a CPA or APA accredited internship / Residency.
- Eligibility for registration as a Psychologist by the Psychological Association of Manitoba (we will provide the required pre-registration supervision).
- Satisfactory results of pre-employment criminal records and child abuse registry checks.
- Education and experience in the administration and interpretation of standard adult psychological tests and measures.
- Experience with evidence-based psychological treatment of adult outpatients in the area of depression, sleep disorders, chronic illness self-management, or other areas of clinical health psychology.
- Training, experience, and/or research background and interests in Aboriginal health issues would be an asset.

Salary and Benefits:

- Salary commensurate with experience.
- Attractive Benefits Package is available through the University Medical Group.
- The GFT agreement provides for on-site private practice opportunities.

Clinical Health Psychology is unique in Canada, being both an academic department in the Faculty of Medicine and a clinical programme of the Winnipeg Regional Health Authority. For more information, visit our website:
