The Correctional Service of Canada (CSC) Ontario Region is currently recruiting indeterminate (full-time) Psychologists to work in medium and maximum security institutions in the Kingston, Ontario area.

PSYCHOLOGIST (PS-03)

Candidates should be registered with the College of Psychologists of Ontario with an area of practice in one or more of clinical, forensic, or counselling psychology and have experience in the provision of psychological services (including mental health services), such as assessment, counselling or other psychological services with adults.

General information:

CSC is the largest federal employer of psychologists in Canada. As a CSC psychologist, you will have a significant impact in changing offender's behaviours and helping them to adopt more positive lifestyles, assisting in their safe reintegration into the community. CSC psychologists are primarily focused on the assessment and treatment of offenders with mental disorder and on the assessment of their risk to reoffend.

CSC offers a comprehensive benefits package that includes an indexed pension plan, a health care plan, an employer-paid dental plan, a disability insurance plan and generous leave benefits. Doctoral level registered psychologists can earn up to \$ 96,182.00 including salary, a terminable allowance and a penological factor allowance. Annual membership fees to regulatory bodies are also paid. In addition, CSC provides employees with a wide variety of advantages such as interesting work, learning and development opportunities, career advancement and rewarding work, to name but a few.

If you are pursuing registration with the College, challenging employment opportunities exist within CSC. These opportunities will allow you to apply your skills while under the supervision of registered personnel. Financial assistance for registration-related expenses is available.
