

## **Psychologist – Regina, Saskatchewan**

Chosen once again as one of "[Saskatchewan's Top Employers](#)" in 2013, the Ranch Ehrlo Society is a charitable organization dedicated to providing a range of quality assessment, treatment, education, support, and community services that improve the lives of children, youth and their families.

The mission of the Ranch Ehrlo Society is to provide a continuum of quality preventative, restorative, and advocacy services, promoting the well-being of individuals, families, and communities through the elimination of abuse, neglect, addictions, and violence, in Saskatchewan and beyond.

Ehrlo Counselling Services is a part of the Ranch Ehrlo Society, a non-profit organization dedicated to providing a range of quality assessment, treatment, education, support and community services that improve the lives of children, youth and their families. Ehrlo Counselling Services is mandated by the Ranch Ehrlo Society to provide preventative and early intervention services to the community as well as counselling, training and consultation services to the community at large.

Our qualified team provides counselling, assessment and consultation to various community members, efap programs, organizations and companies. We assist children, adolescents and adults in achieving their full potential.

The Ranch Ehrlo Society has an exciting opening for a full time **Psychologist** to join our clinical team in **Regina, SK**.

In this role, you will perform psychological assessment and intervention. More specifically:

- Cognitive, adaptive, behavioural, personality, trauma and developmental, and
- Child, adolescent, adult and couples counseling.

To apply for this role, you must be a **fully registered Psychologist with the Saskatchewan College of Psychologists** and have an **Authorized Practice Endorsement (APE)**.

In addition, you will need **at least 5 years of related experience** and **professional liability insurance coverage**.

The ideal candidate will have **strong assessment skills** including observation, clinical interviewing, and standardized psychological assessments. It is important that you have the **ability to work collaboratively with a variety of multi-disciplinary teams** such as social workers, teachers, psychologists, psychiatry, occupational therapists, speech-language therapists, and other community members.

If you have a strong theoretical understanding of and **ability to apply various evidenced-based clinical interventions**, then you would do well in the role. Lastly, we are looking for a professional with the ability to write succinct and thorough reports.

Successful candidates must have a current and valid driver's license and reliable transportation.

In exchange for all your dedication and hard work on the job, you will be rewarded with an attractive salary in the range of **\$65,247 - \$85,865**.

**To be considered you must apply by 5pm Tuesday, December 3, 2013**

At Ranch Ehrlo you have the opportunity to directly impact lives of people on your first days on the job. With more than 700 employees and a history of excellence going back more than 45 years, the Ranch is an enduring leader in youth care services, community preventative and early intervention services.
